NETWORK UPTIME

On 9 December 2016, we hosted an Open House at Mahape wherein Management addressed all the Function Heads along with respective team members on uptime delivery.

It was a informative & interactive session between the management and employees.

Telecom News:

According to the data released by the Telecom Regulatory Authority of India (TRAI), the total wireless subscriber base increased from 1,049.74 million in end-September 2016 to 1,078.42 million in end-October 2016, thereby registering a monthly growth rate of 2.73 per cent. Meanwhile, the wireless subscription in urban areas increased from 603.80 million to 621.77 million and the wireless subscription in rural areas increased from 445.94 million to 456.66 million during the same period.

As far as operators in the country are concerned, Reliance Jio Infocomm Limited (RJIL) added 19.6 million subscribers during October 2016, which was the highest in comparison to all operators. Meanwhile, Bharti Airtel added 2.3 million subscribers, Vodafone India added 1.1 million subscribers and Idea Cellular added 6.33 million subscribers during the same period.

The wireline subscriber base increased from 24.51 million in end-September 2016 to 24.52 million in end-October 2016. In addition, the number of broadband subscribers increased from 192.30 million to 218.42 million during the same period, registering a monthly growth rate of 13.59 per cent.
