1. The above Unaudited Standalone financial results and notes thereto have been reviewed by the Audit Committee and approved and taken on record by the Board of Directors in their respective meetings held on August 14, 2019.
2. The Statutory Auditors of the Company have conducted a limited review of the above standalone financial results.
3. The results, as stated above, have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) (Ind AS), prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.
4. The Company is engaged only in business of providing "Network Services" and as such there are no separate reportable segments.
5. The Company submitted a settlement proposal to the lenders, based on the RBI circular dated February 12, 2018. Instead of responding to the proposal, one of the lenders approached the NCLT. The Hon'ble Supreme Court held and declared that all cases in which debtors have been proceeded against by Financial Creditors under Section 7 of the Insolvency Code, only because of the operation of the said RBI Circular to be non est. Accordingly, the process initiated by one of the Lenders to approach NCLT as mentioned above became non est, in the opinion of the Company and decision in respect of this from NCLT is awaited.

Thereafter, based on the developments in the industry and the Company and the Revised Circular issued by RBI, the Company presented a revised settlement proposal for settlement of the dues of the lenders. The lenders, in continuation of the discussion held earlier in the matter, discussed the same in their JLF meeting held on July 5 and 6, 2019. In the said meeting, it was agreed by all but one bank to sign the Inter Creditor Agreement, based on which almost all specified lenders have executed the Inter Creditor Agreement, as per new circular of RBI dated June 7, 2019.

6. The Company has neither paid nor provided interest on its borrowing during the current quarter in view of the foregoing as explained.

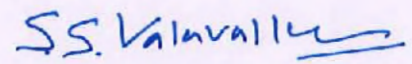

Had such interest been recognized, the Finance Cost for the quarter ended would have been more by ₹ 12,226.53 lakhs, resultant loss for the quarter ended would have been ₹ (15,021.88) lakhs and EPS for the quarter ended would have been ₹ (9.55) . The Auditors have issued modified opinion in respect of this matter.

7. During the last few years, the Company has incurred cash losses, resulting in erosion of its entire net worth. The Company's current liabilities are higher than its current assets. The management is of a view that upon acceptance and implementation of the Company's revised negotiated settlement proposal to the lenders and / or upon restructure through NCLT and / or the revised circular of RBI as the case may be, it would be in a position to settle the matter and continue its operations. The signing of the Inter-Creditor Agreement by the lenders as per new circular dated June 7, 2019 of RBI is a step in the positive direction. In view of this, the Company continues to prepare above results on Going Concern basis.
8. The Company had pledged certain shares held in its subsidiary / associate / affiliate companies, which were held as 'Long Term Investments', with the lenders as a security towards the borrowings from the lenders. During the last quarter, the lenders have invoked the pledge and have transferred those shares in the name of its trustees without appropriating the same against the borrowings. The Company has made necessary disclosure to the Stock Exchanges vide its letter dated April 2, 2019 in this regard. Further, the Company shall take appropriate legal action based on legal advice. Pending appropriation of the pledged shares as mentioned above, the said investments are continued to be classified under 'Long Term Investments'. During the quarter, the company fair valued its investment in GTL Infrastructure Ltd and accordingly, accounted the 'Mark to Market' loss amounting to ₹ 2,046.51 Lakhs.
9. The Company has adopted IndAS 116 – Leases beginning April 1, 2019 using the modified retrospective approach. The standard has been applied to all the lease contracts as at April 1, 2019. Accordingly, the Company has not restated the comparative information and recognized the lease liability at present value of the lease payments discounted at relevant incremental borrowing rate. The right to use asset has been measured at the same value as that of the lease liability subject to the adjustments for prepayment and accruals.

Consequent to the new standard, in the Profit and Loss Account for the current period, the nature of expenses in respect of operating leases has changed from lease rent of ₹ 36.18 lakhs to depreciation cost for the right-to-use asset of ₹ 31.84 lakhs and finance cost for interest accrued on lease liability of ₹ 9.30 lakhs. The Profit After Tax for the current period has increased by ₹ 4.97 lakhs.

10. Debenture Redemption Reserve would be considered at the end of the financial year subject to availability of the profits.
11. The figures for the previous quarter / year have been regrouped / rearranged / recast wherever considered necessary.

Independent Auditor's Review Report on standalone unaudited quarterly financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**Review Report to,
The Board of Directors
GTL LIMITED**

1. We have reviewed the accompanying statement of unaudited financial results of **GTL LIMITED** ("the Company") for the period ended June 30, 2019. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by an Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. Those standards require that we plan and perform the review to obtain moderate assurance about whether the financial results are free of material misstatement(s). A review is limited primarily to inquiries of the company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

2. Basis for Modified Conclusion

As mentioned in Note No. 6 to the Statement, the Company has neither paid nor provided interest on its borrowings during the quarter ended June 30, 2019. Had such interest been recognised, the finance cost and interest liability for the quarter ended June, 30, 2019 would have been more by Rs. 12,226.53 Lakhs.

Consequently, the reported Loss after Other Comprehensive Income by the Company for the quarter ended June 30, 2019 would have been Rs. 15,021.88 Lakhs. The Earnings per Share (EPS) would have been Negative Rs. 9.55.

3. Modified Conclusion

Based on our review conducted as above, except for the effect of the matters described in the basis for modified conclusion paragraph above, nothing has come to our attention that causes us to believe that accompanying statement of unaudited financial results prepared in accordance with the applicable accounting standards and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Emphasis of Matter

We draw attention to the following notes to the accompanying statements

- a) Note no. 7 which inter-alia states that the Company has incurred cash losses, its Net worth has been fully eroded and the Company's current liabilities have exceeded its current assets as at June 30, 2019. The above conditions indicate the existence of the material uncertainty that cast significant doubt about the Company's ability to continue as a going concern. However, the

GDA & Associates Chartered Accountants

Standalone financial statements of the Company have been prepared on going concern basis for the reasons stated in the said note.

- b) Note no. 8 which inter-alia states that, company had pledged certain investments in its subsidiary / associate / affiliate companies with the lenders towards the borrowings from them. During the previous year, lenders had invoked the pledge and transferred those investments of the company in the name of its trustees without appropriating the same against the borrowings. Pending appropriation of pledged shares as mentioned above, the said investments are continued to be classified under 'Long Term Investments'.

Our conclusion is not modified in respect of above matters.

5. Other matters

As at June 30, 2019, balance Confirmations, with respect to Bank Loan (including interest accrued), Bank Current Account and Fixed Deposits aggregating Rs. 3,56,733.62 Lakhs, have not been received.

Our conclusion is not modified in respect of above matter.
