

Hello

TO ENDLESS POSSIBILITIES

Hello is the beginning of everything. It's a start of a conversation. It has the potential to transform lives. Needless to say, a simple **'Hello'** can commence a world of endless possibilities.

At Global Group, we work with leading telecom brands like Airtel, BSNL, China Mobile, Cingular Wireless, Etisalat, Maxis, RCOM, Telstra, Vodafone etc. to enable this **Hello!**

Global Group is promoted by Global Holding Corporation Pvt. Ltd. that has 6 operating companies, two of which, GTL and GTL Infrastructure are listed on the Indian stock exchanges. We have operations across 36 countries, revenues in excess of US\$ 650 million and a balance sheet size of over US\$ 2 billion. The Group employs more than 25,000 professionals of 22 nationalities and supports over 18 social causes.

For over 2 decades, Global Group has been partnering with leading Telecom Operators and OEMs offering its expertise in wireless communications. From 2G

Networks to 3G, from WiMAX to IPTV, Global Group provides complete life-cycle solutions around Network Services. This has led to successful relationships with leaders in technology like Alcatel-Lucent, Ericsson, Huawei, Motorola, Nokia Siemens Network, Nortel, ZTE etc.

The Group's efforts have been recognised by over 20 coveted juries. GTL, a Global Group Enterprise has been featured amongst the Top 10 in Standard and Poor's ESG India Index, 2008. It has also won the Golden Peacock Global Award for Corporate Governance in 2007.

We, at Global Group, are driven by our vision to become the World's Largest Network Services Provider. By the year 2011, the Group plans to engineer, erect and manage over 100,000 cell sites across 150 networks in 50 countries.

That's us, the Global Group, pursuing endless possibilities so that all of us can say this magic word **Hello!**
