Note:

- As stated in the Notice to shareholders for convening the 30th Annual General Meeting given on August 23, 2018, the Company has been a victim of a series of extraneous circumstances which have adversely impacted the telecom sector since admission of the Company under Corporate Debt Restructuring (CDR) Program.
- After initial restructuring undertaken by the Company pursuant to CDR program, the operations and business of the Company continued to suffer due to various extraneous events including failure of Aircel to honour its commitment for additional 20,000 tenancies, BSNL suspension of fixed line contract and MSEDCL agreement termination. Failure of Aircel to honour its commitment for additional 20,000 tenancies resulted Revenue loss of around Rs.17,170 Crores and BSNL suspension of fixed line contract resulted in EBIDTA loss of Rs.806 Crores. Apart from this, MSEDCL agreement termination in 2014 resulted in loss of annual revenue of approx. Rs. 1,200 Crores (and loss of revenue of reminder of contract period of Rs.18,000 Crores).
- Further, as reported earlier, the Company saw an unprecedented shut down of three major operators as well as market driven consolidation. These events which were once again entirely beyond the control of the management, have had material and adverse impact on the operations and prospect of the Company.
- In the matter of petition filed by one dissenting lender to initiate Corporate Insolvency Resolution Process (CIRP) proceedings before National Company Law Tribunal (Tribunal), the Hon'ble Tribunal vide its order dated November 18, 2022 dismissed the said petition. The said matter is pending before the National Company Law Appellate Tribunal (NCLAT), on appeal by the said lender. In this respect the Company continues to engage with the lenders for settlement purposes.
